2. The prescribed tender forms are to be had at the Office of the Executive Engineer, Sanitary Division, Mysore, on payment of Re. 0-8-0 per form. Tenders submitted in forms other than the printed forms will be rejected.

3. Each tender must be in duplicate and is to be accompanied by a duplicate treasury chellan for having credited the amount noted against each work as earnest money under "Revenue Deposits". S.B. Pass Books or any other adjustment or amount due by Government to the tenderers will not be considered. Each tender to be superscribed as "Tender for Nagamangala Town Water Supply Works or T.-Narasipur Water Supply Works as the case may be" without which the tender will be rejected.

4. Detailed estimates, plans and specifications may be seen in person by the tendering contractors in the office of the undersigned between working hours on all working days.

5. Specific rates should be quoted for each individual item of work both in figures and in words which should be inclusive of all taxes prevailing in the area. Tenders offering percentage reduction or increase will not be considered.

6. No conditional clauses will be accepted.

7. For lumpsum provision for non-tendered items, rates will be paid as per minimum current schedule or as per data with not more than 10 per cent for contractor's profit for non-scheduled items.

8. The final acceptance of the tender will rest with the Superintending Engineer, Sanitary Circle, Bangalore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any.

9. The successful tenderer should bind himself to abide by the departmental rules in force and start the work duly executing necessary contract agreement within a week from the date of communication of approval of his tender, failing which, the earnest money will be forfeited to Government. Uniform progress should be given in each month and work should be completed by stipulated time failing which penal clauses may be enforced.

10. The earnest money of the rejected tenders will be refunded on application, only after any of the tenders is approved or after two months from the date of receipt of tenders. The reserve and earnest money of the successful tenderer will be repaid only at the time of settlement of final claims.

11. All over-writings and corrections while submitting the tenders should be attested to by the tenderers. In the event of any difference in rates quoted in the two copies lower rate of the two should hold good.

12. The quantities given in the estimate are only approximate and drawings shown to the contractors are only tentative and are liable to alterations, omissions, deductions or any additions at the discretion of the Executive Engineer or any higher authority. The tendered rates will hold good for any quantity, less or more than those given in the estimate.

13. In case of any accident to the labour employed by the contractor during the course of construction, the accepted tenderer should pay the compensation to the injured as per rules of Government in force, failing which the amount will be deducted out of his claims and paid to the injured.

14. The contract should not be sublet.

15. The name of the successful contractor whose tender has been accepted will be posted on the notice board in the Office of the Executive Engineer in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

16. Rates once tendered will not be enhanced on any account and should hold good till the work is completed.

17. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

18. The income-tax and sales-tax clearance certificates should be enclosed along with the tender received without the certificates are liable to be rejected.

19. Controlled articles like cement and steel, etc., will be issued if available at stores at rates current at the time of issue ex-departmental stores.

20. The tenderer should arrange to afford all facilities free of cost, for testing the lead joints section by section, to withstand the working pressures. During a period of three months after the line is charged if any defects are noticed they will have to be rectified by the contractor at his own cost after which the final claims will be settled.

21. Proper arrangements for barricading, lighting and arranging for watchmen along the pipe line wherever necessary and specially at the main road crossings, for public convenience and safety of traffic should be provided by the tenderer at his own cost, failing which, the contractor will be held responsible for any accidents due to negligence on his part and cost of arrangements made by the department in this behalf will be recovered from the contractor's bill.

1. The work is to be completed within the time specified by the Executive Engineer, Sagar Division, while taking agreement after the approval of the lowest tender.

2. Tenders should be presented in the prescribed form obtainable on payment of annas four per form from the Office of the Executive Engineer, Sagar Division, Sagar, in a sealed cover, and superscribed as "Tender for the construction of Bridge at 4/40 of A.H.B. Road". The name of the contractor should also be superscribed on the top of the cover.

3. Tenders to be presented with rates for individual items of works instead of quoting on percentage basis.

4. Each tender must be accompanied by a duplicate challan for having credited into the treasury the deposit amount of Rupees noted against the work under "Revenue Deposits" or Mysore Government Bonds duly endorsed at full value or market value whichever is less as earnest money.

5. Items not covered by the estimate will be paid at the schedule rates of 1956-57 and items not covered by the schedule of rates as per data to be worked out.

6. Tenders not accompanied by the treasury challan for having credited the earnest money will be rejected.

7. Plans and estimates and other particulars can be had for inspection in the Office of the Executive Engineer, Sagar Division, Sagar, on all working days between 2 P.M. and 5 P.M.

8. The successful contractor should bind himself to abide by the departmental rules in force and should execute the necessary *mutchalika* within a fortnight from the date of receipt of the intimation of acceptance of his tender, failing which, his earnest money will be forfeited.

9. The final acceptance or recommendations for acceptance will rest with the Executive Engineer, Sagar Division, Sagar, who does not bind himself to accept the lowest or any other tender or to assign any reason whatsoever for the rejection of any.

10. No conditional clauses will be accepted.

11. The sales-tax and income-tax clearance certificates should be produced along with the tender.

12. No cheques will be accepted for the earnest money and no request for the adjustment of the amount due by Government can be entertained.

13. The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding for the execution of the entire work.

14. The submission of the tender by the contractor implies that he has read the notice and the conditions of the contract and has made himself aware of the scope and specifications of the work to be done and of the schedule of rates, etc.

15. If the work is not completed and handed over within the specified time, a fine of Rs. 50 will be levied for every fortnight's delay.

16. The contractor has to pay compensation to the disabled workmen working under him for any injury caused during the execution of work, failing which the amount will be deducted from the bills and paid to the injured.

17. Such of the tenders that stipulate uncalled for conditions or rates for changed specifications other than those for which rates are asked to be quoted are liable to be rejected outright without assigning any reason whatsoever and the Department will be bound only to the conditions in the schedule of contract agreements to be entered into with the accepted tender.

18. Tenders should be submitted in duplicate and if there are any differences in rates quoted in between the original and duplicate the lower of the two will be taken for consideration.

7 Specific rates should be quoted both in figures and in words for each individual items of work. Tenders offering percentage reduction or increase will be rejected.

8 For all lumpsum items, only the minimum schedule of rates or data *plus* 10 per cent will be given if the rates do not appear in the schedule of rates.

9 All overwritings and corrections while submitting the tenders should be attested by the tenderer.

10 The quantities given in the estimate or only approximate and the drawings shown to the contractor are only tentative and are liable to alternations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the estimate.

11 The contract should not be sublet.

12 The Contractor should make his own arrangements for transportation of materials.

13 The contractor is responsible for all accidents to workmen, etc., on the work and he must take precautions against all risks of accidents and if necessary, provide for the same by insurance at the proper time. The contractor should arrange for the payment of royalty, tolls, taxes, etc.

14 The sales-tax and income-tax clearance certificates should be furnished along with the tenders.

15 Rates need not be quoted for all lumpsum items.

16 No conditional clause will be accepted.

17 Prescribed tender forms may be had at the Office of the Executive Engineer, No. 5 B. R. R. B. C. Division, Tarikere, on payment of Re. 0-8-0 per form.

18 If the monthly rate of progress falls short of the minimum or if the building is not given to the Department in its full form within the stipulated period, the Executive Engineer will have the right to forfeit the earnest money and any loss to Government by way of entrusting the work to some other contractor will also be recovered.

19 If the contractor feels any doubt in the rates provided in the estimate the same may be clarified then and there only and no representation will be consider after receipt of the tender.
